WAVE

Topography Guided Design Software

Lens Type	Price W	Price NW
WAVE NightLens ®	\$236.00	\$208.00
WAVE ScleraLens ®	\$315.00	\$277.00
WAVE RGP / Freeform ®	\$205.00	\$180.00

Getting Started with WAVE

1. Complete the WAVE Certification at <https://waveacademy.thinkific.com/courses/wave-certification>.
2. Complete the registration form at <https://form.jotform.com/242044231431138>. Once submitted, login details for the software will be issued.
3. We will schedule a short TeamViewer session to install the software (approximately 5–10 minutes).
4. Following installation, we will arrange an onboarding session to guide you through the software and how it works.

You're then ready to start designing and fitting WAVE lenses.

Compatibility: WAVE is compatible with Medmont, OCULUS, Topcon, and Eaglet topographers.

Software Cost: WAVE software is free to install and use.

TERMS AND CONDITIONS OF SALE AND WARRANTY INFORMATION

Information presented below refers to a single lens only.

1. ORDERING

In order to minimise errors and simplify order processing, we request that all orders be provided electronically or in writing. Claims received for incorrect parameters will not be honoured unless the order has been received in writing. **Orders are to be placed at orders@gelflex.com.**

2. GENERAL MANUFACTURER'S WARRANTY

All lenses manufactured by Gelflex will be free from any material and manufacturing defects. For a period of **one month** from the original invoice date, all claims under this warranty require the return of the lens for inspection. If found to be faulty a replacement lens will be supplied at no charge. **Please note that no parameter changes are permitted.**

3. WARRANTY/PER CASE OPTION

Lenses may be exchanged for parameter changes within **four months** of the original invoice date. The 1st exchange is at no charge, 2nd & 3rd exchanges incur a surcharge of \$32.00, subsequent exchanges will be charged at \$55.00. Lost lenses, surface deposits or changes to lens colour are not covered under warranty. One damaged lens replacement per eye is permitted at no charge during the warranty period. Further replacement of damaged lenses will incur a fee equal to 50% of the non-warranty/per lens price. This is also limited to one lens per eye and only occurs during the warranty period. Exchanges do not apply if the lens can be adjusted. All damaged lenses must be returned for this claim to be redeemable.

4. UNSUCCESSFUL PATIENTS

Unless otherwise specified, a **75% credit applies** to the original price only (excludes remake surcharges and shipping costs) for unsuccessful patients for soft and RGP lenses purchased with warranty and within the warranty period.

All lenses including remakes must be returned within the warranty period when claiming unsuccessful credit. Failure of a patient to collect a lens or lenses no longer required is not considered a reason for credit. There are no credits for unsuccessful patients for the Euclid, Paragon and WAVE ranges.

5. NON WARRANTY/PER LENS OPTION

General manufacturer's warranty applies, refer to Section 2. No credits or exchanges under this option. Upgrading to a warranty option is NOT permitted.

6. RGP LENS ADJUSTMENTS

6.1 UNDER WARRANTY OPTION (Per Case) No charge for adjustments including increasing edge lift, extra polishing of edges or power adjustments of up to plus or minus 0.50D during the warranty period.

6.2 NON-WARRANTY OPTION (Per Lens) This option does not include any adjustments, exchanges, credits or upgrades to the warranty option aside from the Manufacturer's Warranty.

7. MODIFICATIONS, TINTING & CLEANING

Modifications to custom lenses, tinting and cleaning are only carried out on lenses manufactured by Gelflex. Whilst all care will be taken by Gelflex when carrying out adjustments to a patient's lens/es not under warranty, Gelflex will not be responsible for any damage or loss. Lenses that have been worn cannot be tinted. Lenses cannot be exchanged for variations in tints, but normal warranty exchanges apply. No credit will be issued for non-standard, cosmetic or opaque tints when claiming unsuccessful patient. Due to the nature of the tinting process Gelflex is unable to guarantee exact colour matching, however, we will endeavour to ensure the match is as close as possible every time. Providing a tint sample or photograph will assist this process.

8. GELFLEX ORTHO-K

The terms of the Warranty/Per Case Option apply to all Gelflex Ortho-K lenses. Refer to Section 3.

9. EUCLID ORTHO-K

9.1 Emerald range: Lenses may be exchanged for parameter changes within **four months** of the original invoice date. The 1st exchange is at no charge, with subsequent exchanges incurring a \$45.00 material and handling surcharge. A limit of one exchange per eye for damaged lenses will apply incurring a \$70.00 surcharge per lens within the warranty period. All damaged lenses must be returned. **No credit for unsuccessful patients.**

9.2 Sapphire range – Toric Design: Lenses may be exchanged for parameter changes within **four months** of the original invoice date. The 1st exchange is at no charge, with subsequent exchanges incurring a \$60.00 material and handling surcharge. A limit of one exchange per eye for damaged lenses will apply incurring a \$90.00 surcharge per lens within the warranty period. All damaged lenses must be returned. **No credit for unsuccessful patients.**

10. PARAGON CRT FOR ORTHO-K

NON-WARRANTY ONLY

General manufacturer's warranty applies, refer to Section 2. One damaged lens replacement per eye is permitted under this warranty within 30 days of the original invoice date. All lenses claimed under this warranty **MUST** be returned to Gelflex with the **serial number** of the lens otherwise full fees will apply. The serial number can be found on the vial label. No parameter changes are permitted under this warranty. **No credit for unsuccessful patients.** All Paragon CRT lenses require Certification and DDS. The relevant course for certification is located at <https://www.paragonvision.com/ecp/eye-care-academy/certification-training/>

11. WAVE DESIGNS

Lenses may be exchanged for parameter changes within **four months** of the original invoice date. The first two exchanges are at no charge, subsequent exchanges will be charged at \$60.00 except for ScleraLens® which will incur a charge of \$70. Lost lenses, surface deposits or changes to lens colour are not covered under warranty.

No credit for unsuccessful patients.

All WAVE design lenses require Certification. The relevant course for certification is located at

<https://waveacademy.thinkific.com/courses/wave-certification>.

To register a new account with Gelflex please go to <https://form.jotform.com/242044231431138>.

12. ZENLENS

WARRANTY ONLY

Lenses may be exchanged for parameter changes within **four months** of the original invoice date, with a maximum of three exchanges (which includes one exchange for patient damage) per eye. All damaged lenses must be returned. Surcharges for upgrades are as specified in the Price List. 1st exchange outside of the upgrade is at no charge, thereafter a \$32.00 material and handling charge for each lens will apply for the 2nd and 3rd exchange. A **50% credit applies for unsuccessful patients**, excluding any surcharges and delivery fees, within the warranty period.

NOTE: Upgrades are not considered part of the exchanges.

All ZENLENS lenses require Certification. The relevant course for certification is located at <https://www.aldenoptical.com/zenlens>.

13. NOVAKONE

A single lens may be exchanged for parameter changes within **three months** of the original invoice date. All packs and pack upgrades **MUST** be ordered within **four months** from the original invoice date. An identical single lens **MUST** be purchased to order a 3-pack or 5-pack upgrade. For quarterly replacement, order the 3-pack upgrade; for bi-monthly and monthly replacement, order the 5-pack upgrade. A limit of one upgrade applies for every single lens purchased. A **50% credit applies for unsuccessful patients** within the warranty period. All packs and pack upgrades are non-warranty. If a lens parameter change is indicated, repeat the initial order process. If no lens parameter change is indicated, order the single lenses, 4-packs or 6-packs as appropriate for each lens replacement schedule.

14. DISPOSABLE LENSES

All Sofclear and NaturalVue lenses are supplied with manufacturer's warranty. Gelflex will NOT accept Sofclear and NaturalVue lenses for credit or exchange. All disposable lens orders must be emailed to orders@gelflex.com.

15. PRODUCT RETURNS

All returns must include the practice name, account number and patient reference. Please also include a clear description of the work to be carried out on the lenses. All freight charges incurred for product returns are the responsibility of the customer. Any product returned for any reason remains the liability of the customer. Gelflex recommends returning goods by certified mail or courier to protect the customer from loss of product and for package tracking.

16. PAYMENT TERMS

Thirty days from statement date. Accounts in arrears may be subject to late payment fees and/or account suspension.

17. EARLY PAYMENT DISCOUNT TERMS

Gelflex offers a 3% early payment discount to all accounts settled by the 10th of each month. All statements will be processed on the 1st of each month (or nearest business day). Normal trading terms are thirty days from statement date. All authorized credit card payments will be processed on the 23rd of each month (or nearest business day) and the early payment discount will automatically apply. The early payment discount only applies to products where no other discount has been granted. **ACCOUNTS MUST BE PAID IN FULL TO RECEIVE THE EARLY PAYMENT DISCOUNT.** Settlement discounts will become void if payment terms are exceeded. We accept payments made by direct deposit, cheque and all credit cards. (2.5% surcharge on Amex.)

18. MINIMUM ORDER DELIVERY/HANDLING CHARGES

A delivery/handling charge of \$11.00 (excluding GST) applies per shipment.

Delivery/handling charges for bulk/large items is calculated per shipment depending on the overall weight.

Warranty exchanges, lens modifications under warranty and trial lenses are exempt of any delivery/handling charges.

19. Title of all goods remains with Gelflex until payment is received in full.

20. Gelflex reserves the right to charge interest at our banks prevailing overdraft interest rate for all money owed in excess of normal trading terms.

21. GST will be added to the invoice where appropriate.

22. Please note the **warranty Gelflex offers is to the practice NOT the patient.** Any warranty to the patient is the responsibility of the practice.

23. Please note that Terms and Conditions are subject to change without notice.
